RoHS DIRECTIVE

JANUARY 08, 2024

We have surveyed all of our raw material suppliers and have been advised that the material meets the EU directive regarding the End of Life Directive (2000/53/EC) and the certification of the following are not present in levels above the thresholds established by that directive and are not intentionally added or desired components

(RoHS Directive 2002/95/ED).

Cadmium (0.01 %)

Lead (0.1 %)

Mercury (0.1 %)

Hexavalent chromium (0.1 %)

Polybrominated biphenyls (PBB) (0.1 %)

Polybrominated diphenyl ethers (PBDE) (0.1 %)

Bis(2-ethylhexyl) phthalate (DEHP) (0.1 %)

Butyl benzyl phthalate (BBP) (0.1 %)

Dibutyl phthalate (DBP) (0.1 %)

Diisobutyl phthalate (DIBP) (0.1 %)

Teflon or other organic VOC containing materials are not intentionally added as part of the manufacturing process and would in fact vaporize during the melt process if they were apparent.

We certify this to be true and accurate based on responses from our suppliers.

Please let us know if additional information is required.

Sincerely,

THE STEEL SUPPLY COMPANY
